18 January 2023

Dear parents and guardians

Welcome back to school. May 2023 be a peaceful year for you and your family.

The year started well and our staff worked hard to get the school ready for our children. We have welcomed 25 new learners this year and are excited for their journey with us.

We all look forward to the year. There are a lot of exciting things that will be happening. I would like to bring a few things to your attention as the year starts.

New teachers

A huge word of welcome to Mrs Ilonka Jordaan, Mrs Zelda Pieterse and Mr Jano Kotze. We are privileged to have them join us.

Welcome

Drop off and pick up procedures

The school gate opens at **7h30** in the morning.

It will open again at **13h30** after school. I ask that you please exercise the utmost patience at our drop off zone. Please treat all parents, grandparents, taxi drivers and other people fetching learners with respect and compassion. I especially ask that you treat our amazing grounds men and other staff with respect. They go out of their way to ensure that your children are safe. As a community we are all responsible for the safety of all children. If your child is fetched by a private driver or taxi please discuss these points with them.

Athletics Day

Weather permitting our Athletics Day will be held on Saturday the 4th of March. This is a fun day for the whole family. Please keep the day open and come and support your child. We will start practicing soon and keep you updated.

Parent's support groups

We will be running a series of parent support groups this year. The first one will be on Saturday the 18th of March and will deal with communicating with your child. Our therapists will teach you about the forms of communication we use at school that you can also use at home. Be sure not to miss it. Times and details will follow closer to the time.
